

Dear Brothers and Sister,

I hope you are well.

I am so glad more people are getting vaccinated and the economy is slowly getting back to normal. I wanted to provide you with an update and some exciting glimpses into our summer ministry.

I want to begin by thanking you for your continued support in my ministry with Youth Unlimited. With your partnership we can see our vision transformed youth, transforming our city becoming a reality.

I am approaching the last three months of this internship. Now I am beginning the process of figuring out my future at Youth Unlimited and whether I want to continue and come on board as part time staff or do another year of this internship. Please pray as I seek God guidance, wisdom and discernment to continue on this process and the next steps in my ministry chapter.

As some of you know from the news, summer camps will be running this year and praise God we have been given government grants for both St. Andrews and Bridletowne's 13 summer camp staff positions. As we run summer camp please pray for wisdom and God to lead the right campers to our camp. Pray also for strength, energy and rest for staff during the four weeks of camp. I will provide pictures and more details in the upcoming newsletters. We're in the full swing for camp and we will be starting on July 5.

Due to my time and dedication with the summer camp, I have left working with Light Patrol. But this time has been a never ending learning experience for me.

Please feel free to contact me with any questions or concerns.

Shalom,
Kirushanthan (Cricket) Krishnapillai
